Graduation 1971

Twelve independent Seniors graduated from AHS on May 19, 1971. Their motto, "one may not reach the dawn save by the path of the night. . ." and class colors of red white and blue were represented by the Juniors decorations in the gym.

Mrs. Mark O. Hatfield attended as the guest speaker. Craig Sumner and Jim Flippin were Valedictorian and Salutatorian. Steve Anderson gave the benediction and the invocation.

Sadie Hawkins 1970

On Saturday, the 21 day of November, the Sophomores threw their annual Sadie Hawkins dance.

Instead of the usual race, there were two ice cream eating contests. The contestants of the first race were the classes. The junior and senior class teams tied. (The team members are pictured above.)

The second race featured faculty members of the high school and grade school. Due to bigger mouths, the grade school team won. Everybody then rushed to their bottles of Pepto-Bismal.

This was the first year for AHS to have a volleyball team. The ten players and their coach all improved and learned quite a bit this season. Their enthusiasm, will to learn and playing experience hold the promise of a great team next year.

State-Play Offs

This year Arlington had another outstanding season in football not losing a single game in league play. Offensively we had four of the top seven scorers in the league. We were also the top defensive team in our league allowing a mere 9.6 points per game. Our only loss was to State-Champion Huntington. After a hard fought battle we lost out only in the final score. We had an outstanding season this year and are looking forward to another one next year. Honker-Rule in football still remains to stay.

Arlington High School Basketball was a year of new style and improving play. Beginning the year with no varsity experience four seniors, four juniors, and two sophomores found themselves right in the thick of it. With this competition the honkers realized their improvement, feeling this they built themselves into an 11 and 9 team. League competition was very competitive this year and Arlington was handed a majority of the losses. Despite a 3 win and 5 loss record, the honkers were only out scored by an average of 1.5 points per game in league play. Thus, we will be looking forward to next year in hopes that the six returning lettermen will show even more improvement and therefore a bigger winning season.

Girls Softball Team

This year the Girls Softball Team was Coached by Mr. and Mrs. Hoover. Although it was the first year Arlington High School had a Softball Team it was quite successful. The girls won three out of four games played.

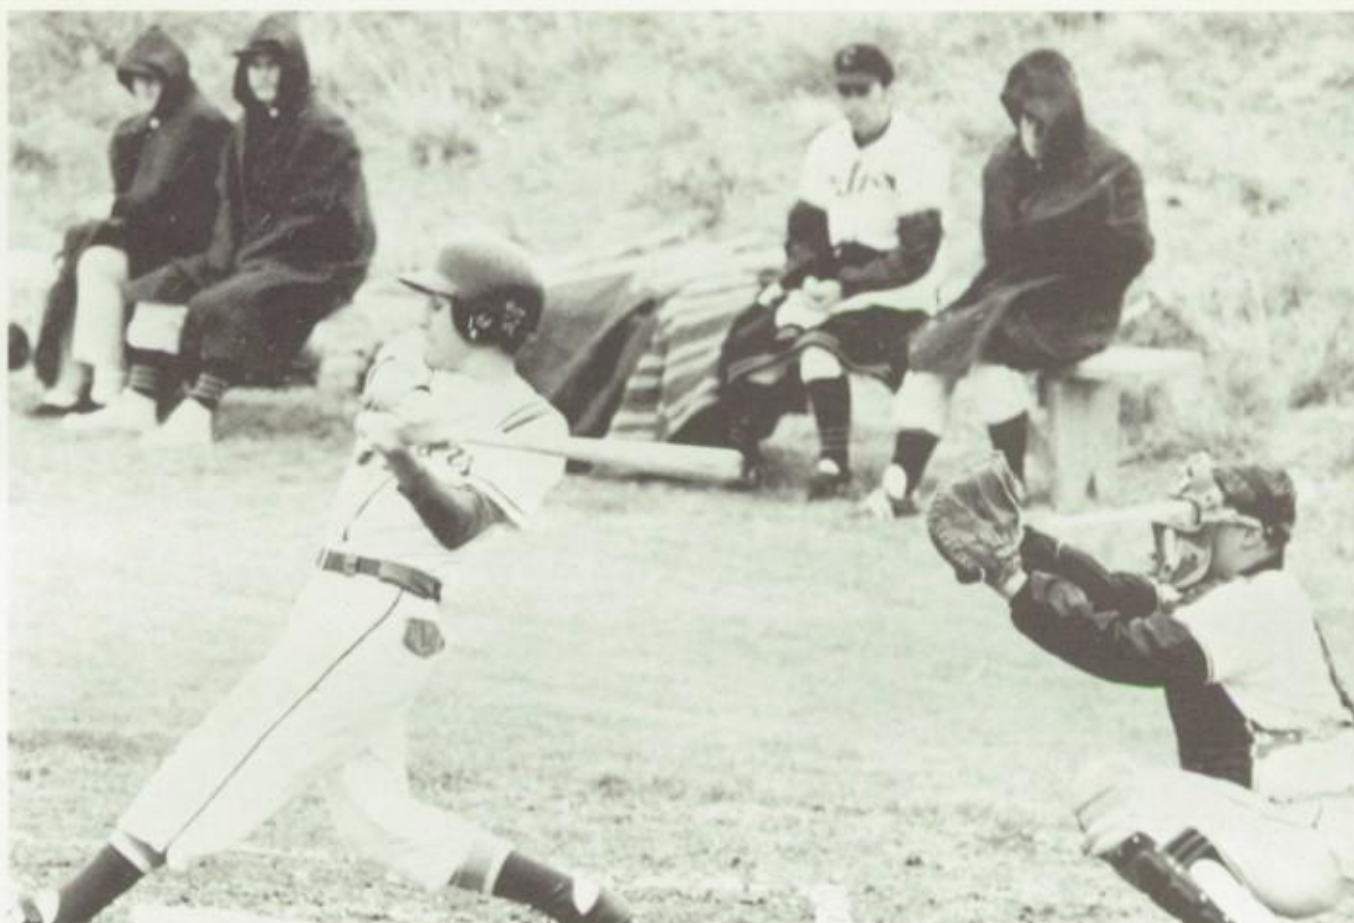

Rose Walsh is pitching, with Terri Clark playing first. Rose and Leslie Hulden pitched for the Softball team.

Track 1971

From left to right: Andy Hickerson, Wayne Carr, Ruben Vela, Ron Jolliff, Larry Sutherland, Mark Sumner, Mike Mcgloughlin, Terry Mulkey, Brian Wilkins, and Craig Sumner.

This year Arlington had a big surprise in the track turnout. Of the eleven that turned out only four had participated in high school track. Although not breaking many records, most of those out for track have found their event. Of the eleven out, nine will return next year.

Although we didn't break many records, one was broken. The record broken was the 70 yard high hurdles. This record was broken by senior hurdler Craig Sumner running the highs in a time of 9.2 seconds.

This year Arlington also sent two representatives to the state track meet at Pleasant Hill. Participating were Terry Mulkey in the shot and Craig Sumner in both hurdles. Terry ended up with a fifteenth place and Craig received an eighth place in the high hurdles.

Our whole squad gives special thanks to our track coach Henry Hudgens.
